

From a Potlatch telephone: Non Responsive or ok to use. You will be charged only for the dial-in call.

From other than Potlatch phone: Non Responsive

Participant Code: Non Responsive

Date/Time: Thursday, October 25, 10:00 a..m (Pacific)

Topic: Avery Landing

Agenda: Originally from Earl, with some offered re-ordered priority and comments by Don based on discussions in past month. Suggest we discuss the agenda early on in the call.

- Discussion of additional 2007 field work (START-3 Report)
 - Sampling on-site drinking water well
 - Potential bench-scale treatability study soils
- Overview of Non-Time-Critical Removal Action (NTCRA)
 - Process & Site-specific scope and schedule
 - AOC for EE/CA
 - AOC for Conduct of RA
- Enforcement Activities - likely to not be discussed - Ownership is not a part of the discussion
 - Status of PRP search
 - Section 104(e) information request

Please let me know if you have any questions.
